ELECTRICITY CONNECTIONS

Each circuit consists of one outlet. Prices are per outlet, or combination of outlets. Electricity load not to exceed watt and/or ampere rating indicated. Permanent building electricity outlets are not part of the booth space and may not be used as part of the exhibitor's electricity order.

LABOR

Please include a booth diagram showing the requested location of electricity source. Rates do not include connecting or running electricity inside the booth. Labor and materials will be charged for booth setup based on diagram specifications. Charges will apply for requested relocation. The Hotel will charge for exhibitor-installed cords requiring troubleshooting and/or redistribution in the booth. Labor and materials will be charged to the credit card on file. All labor and materials for booth setup will be billed post-show. Receipt provided by request.

Labor rates are as follows: 8:00am-5:00pm \$71 per hour 5:00pm-8:00am \$106 per hour (1 hour minimum)

EQUIPMENT

All material and equipment provided by Gaylord Texan Resort & Convention Center shall remain the property of the Hotel and shall be removed only by the Hotel at the close of the show. The Hotel reserves the right to refuse connection to any exhibitor whose equipment is deemed unsafe by the Hotel's electrical department. Use of open clip sockets, latex lamp cord wire, or unapproved multi-plex attachment plugs is not permitted.
