

OPTIONAL EXHIBITOR FORM

JUNE 27 DEADLINE

HOT BUYS & NEW PRODUCTS/SERVICES GUIDE

Print Clearly or Type

Do you want to increase exposure and traffic in your booth at the 2008 Texas Food & Fuel Expo? Then take advantage of the **Hot Buys & New Products/Services Guide** by announcing a Show Special and/or New Products/Services. It's a **FREE** service to all Exhibitors.

The Guide has two sections:

- 1) **Hot Buys:** Allows you to advertise a service or product show special/discount, which attendees can order only at show site. This portion of the guide will feature your company name, booth number, and a description of your "Hot Buys".
- 2) **New Products/Services:** Allows you to advertise newly launched products. This section of the guide will feature your company's name, booth number, and a description of your New Product/Service.

New Product Eligibility ~ Product entries must be "truly" new:

- Products that have been introduced to the market place since the 2007 Texas Food & Fuel Expo or products to be launched at the 2008 Texas Food & Fuel Expo.
- A completely new product or product line offered by the participating company.
- A product with a significant modification to the original offering. For example, the addition/deletion of an ingredient (a new flavor of an existing product; a "sugar-free" version of an existing product), or a significant modification to equipment functionality.

Enter by the **specific deadline dates** below and receive the following marketing opportunities for both Hot Buys & New Product participants:

- ✓ Recognition and listing in the "Hot Buys & New Products/Services" guide. **(Deadline Date: June 27)**
- ✓ Recognition and listing on Texas Food & Fuel Expos website – www.txfoodandfuelexpo.com.
- ✓ Table-top easel display sign to post in your booth.

If you are interested in participating, please complete the below enrollment form on page 2 and return ASAP.

Dana Fuller, Texas Food & Fuel Expo

7719 Wood Hollow Dr., Ste. 150, Austin, TX 78731
