ADVANCE PRICE DEADLINE
Thursday, July 3, 2008

NETWORK | INTERNET | WIRELESS:

- The network connections provided by Gaylord Texan Resort & Convention Center may be used only by the directors, officers and employees of the company; exhibitors, agents and consultants while performing service for the exhibiting company and cannot be resold or distributed to other companies unless by specific contractual agreement. The services being provided by Gaylord Texan Resort & Convention Center will facilitate communications between the Gaylord Texan Resort & Convention Center's authorized users and the entities reachable through the Internet. Users of Gaylord Texan Resort & Convention Center services shall use reasonable efforts to promote efficient use of the network to minimize, and avoid if possible, unnecessary network traffic and interference with the work of other users of the interconnected networks.
- Users of Gaylord Texan Resort & Convention Center services shall not disrupt any of Gaylord Texan Resort & Convention Center network or other associated networks as a whole or any equipment of system forming part of their systems, or any services provided over, or in connection with any of Gaylord Texan Resort & Convention Center or other associated networks. Gaylord Texan Resort & Convention Center services shall not be used to transmit any communication where the meaning of the message, or its transmit distribution, would violate any applicable law or regulation or would likely be highly offensive to the recipient or recipients thereof.
- Gaylord Texan Resort & Convention Center reserves the right to troubleshoot with tools such as Sniffer Pro, FLUKE network analyzers, etc. Gaylord Texan Resort & Convention Center reserves the right to immediately disconnect network connections when activity such as denial of service attacks, port scans, or any other form of network performance degradation activities are detected. After disconnection, isolation and quarantine assistance will be given.
- All devices for which Gaylord Texan Resort & Convention Center provides Internet or Networking connectivity shall be required to obtain a Gaylord Texan Resort & Convention Center assigned IP address. At no time, while connected to Gaylord Texan Resort & Convention Center network, will the customer use their own DHCP server unless by specific agreement. Physical layer network audits are performed to ensure adherence.
- For wired connections The Customer must provide the node equipment (personal computer, etc.) properly configured, as well as a standard Ethernet adapter card, rated for 10/100Mbps with an RJ-45 jack. The Customer is responsible for the proper configuration of computing machinery and software for Internet and Ethernet communications.
- Wireless Specific (802.11a,b,g): The use of any wireless access point or any other device that interferes with the facilities wireless data frequencies is strictly prohibited. At no time will an exhibitor or customer power up any wireless device not provided by Gaylord Texan Resort & Convention Center without prior authorization.

Internet Performance Disclaimer: Gaylord Texan Resort & Convention Center does not guarantee the performance, routing, or throughput, either expressed or implied, of any data circuit connectivity with regards to the Internet and/or Internet backbones beyond any facility we service. Gaylord Texan Resort & Convention Center is the exclusive supplier of Internet connectivity for all events within the facility. We are equipped with a DS3 (45mbps) dedicated Internet connection to a tier 1 provider, and can provide Internet and networking connectivity to any location on property.

Internet Security Disclaimer: Gaylord Texan Resort & Convention Center does not provide security, such as but not limited to firewalls, NATing devices, virus protection, etc. for any Internet services we provide. It is the sole responsibility of the exhibitor or customer to provide all necessary security. With execution of this document the Customer is agreeing to the Terms and Conditions of this document and will hold Gaylord Texan Resort & Convention Center; its agents and contracts harmless for any and all liabilities arising from the use of non-secured data circuits.
